Empowering YOUR FUTURE

**Sir Brian Bell Foundation and City Pharmacy Limited Foundation
are working in partnership to provide cost friendly
HPV screening and treatment in POM.**

Human Papilloma Virus (HPV) is a common viral infection,
left untreated HPV can lead to Cervical Cancer.

Routine cervical screening is your best protection
against cervical cancer.

If you are aged between 30 - 59 book your test today.

TAKE A DAY & TAKE THE TEST

ONLY K20 PER TEST

Its quick and easy with same day results
in a comfortable and confidential location.
